1 Pressure reducing valve, 3 bar
2 Expansion relief valve
3 Pressure and temperature relief valve
4 Tundish for DHW system
5 Pressure relief valve 3 bar, with pressure gauge
6 Tundish for heating system
7 Unvented cylinder, indirect
8 Hot water motorised valve, 22mm
9 Heating motorised valve, 22mm
10 Heating filling loop
11 Air vent
12 Drain cock
13 Wiring centre
14 Programmer, 2 channel
15 Immersion heater
16 Plate heat exchanger (Primary to Heating)
17 Cylinder thermostat (tamperproof)
18 Y-Pattern strainer
19 Flow Regulating Valve
20 Primary (central plant) motorised valve
21 Differential pressure valve
18 Y-Pattern strainer
22 Heat meter (optional, not shown)
23 Heating pump, 6m
24 Heating bypass valve
25 Sensor points
